

Midterm Review Guide

7th Grade American History

You've made it to the half way point! Way to go. Here are a few tips and pointers when it comes to getting prepared for your history midterm exam.

1. **Gather all your old tests and quizzes!**

There's nothing new on the exam. Everything that will be asked of you has already been asked. The wording may be slightly different but all the information is the same. You're old tests are the best study guide you have!

2. **Play Kahoot!**

All the old Kahoot! reviews are available at mrsacurry.weebly.com. Make it a tournament! It's an awesome study tool.

3. **Review the Prezis!!!**

All the presentations are available for you to go back and scroll through. You can even watch old videos that were shown in class. Use them to refresh your memory on the historical content.

4. **Ask Mrs. Curry!!!**

If you are unsure of a test answer, or you can't find something, for the love of cheese...just ASK! That's why I'm here, folks. I live to serve.

5. **Lastly, Check out this packet!**

Make sure you are comfortable with the topics listed in it. It may be best to start with the oldest information first, and work your way to the most recent. If you have questions bring them to class with you in the days leading up to the exam.
